# About Me

## Experience

2+ years  
Frontend  
Development

## Education

B.Sc.  
Bachelors  
Degree  
M.Sc.  
Masters  
Degree

"Hello, I'm Lavanya Venkatesh, a passionate designer with an eye for detail and a drive to create visually compelling experiences. My work blends creativity with functionality, bringing ideas to life through innovative designs and thoughtful interactions. I thrive on pushing boundaries and crafting pieces that resonate, whether through animations, visuals, or immersive digital content. Welcome to my portfolio – explore my projects and let's connect!"
